Foyens to provide streamlined Accounting & Financial reporting solutions to Prestiva Consulting.

BANGALORE, INDIA, Sep 4, 2009 – Foyens Financial Solutions, a professional services Company offering finance and accounting services to small & mid-sized ventures, announced that they will provide accounting and financial reporting solutions to Prestiva Consulting. Foyens' solutions will be utilized by Prestiva Consulting to maximize efficiencies, drive consistent and cost effective accounting and reporting results.

Prestiva consulting is a global process, Complacence Management and IT services providing Management Consulting Company. Prestiva's global energy and utilities consulting practice is actively engaged with energy companies worldwide. Prestiva applies this global perspective to develop new approaches to emerging problems, approaches that take clients beyond their current thinking.

"I needed a partner who could help us create a scaleable finance and accounting process for our company. Foyens was able to provide a corporate accounting and reporting solution superior to that of local vendors at just fraction of cost and offer an equally effective solution to our Company. I was extremely pleased with the Foyens 60 days trail* period which helped us to choose the right outsourcing partner" said Murali Venkatesh, Managing Partner, Prestiva Consulting.

Foyens is proud of its partnership with Prestiva Consulting and we are committed to providing best-in-class service and highest levels of productivity said Srinivas, Director & Finance Head, Foyens Financial Solutions.

About Foyens Financial Solutions

Foyens is a professional services Company offering Finance and Accounting (F&A) services to small and mid-sized ventures. Since its inception, Foyens has continuously focused on a delivery cadence to ensure a constant focus on attainment of profitability objectives, best practices and client satisfaction. Foyens collaborates with each client to deliver tailored business process solutions that range in complexity from individual transaction-based functions, such as accounts payable and accounts receivable, to full-service finance and accounting, including general ledger accounting and SEC financial reporting.
