Foyens offers free 60 days trial* period for any of its F&A services at no cost for startups and Small- to Big-Sized Businesses.

Bangalore, India- August 11, 2009- Foyens Financial Solutions, a professional services Company offering finance and accounting services to small & mid-sized ventures, announced today that the Company will offer an extended 30 days trail* period in addition to initial 30 days trial* period offered with no obligations for any of its F&A services for startups and Small to Medium-Sized Businesses at no cost.

The trial period allows the client to explore how Foyens can customize to suit to Client's individual needs. It will also allow getting an insight into our quality of work, servicing levels and will help client's to find out if this indeed is the solution that they always needed.

"We feel that in order to establish a business relationship between us, Client expectations must be satisfied. This is our way of earning your trust with no risk to you." said Somashekar, MD & CEO of Foyens Financial Solutions.

In addition to offerings, Foyens also provides customized and flexible engagement options & contract terms that are in tune with the client requirements, 30 days' cancellable terms. By engaging with Foyens, the clients can save around 60% - 70% staff costs, grow there client base without additional investment, eliminate the issues associated with recruiting and retaining accounting and book keeping staff and replace fixed cost with a reduced variable cost.

About Foyens Financial Solutions

Foyens is a professional services Company offering Finance and Accounting (F&A) services to small and mid-sized ventures. Since its inception, Foyens has continuously focused on a delivery cadence to ensure a constant focus on attainment of profitability objectives, best practices and client satisfaction. Foyens collaborates with each client to deliver tailored business process solutions that range in complexity from individual transaction-based functions, such as accounts payable and accounts receivable, to full-service finance and accounting, including general ledger accounting and SEC financial reporting.
